What is SeekersGuidance Canada?

SeekersGuidance Canada strives to **spread the light of Prophetic knowledge, guidance, and service** globally and in our local communities.

We offer classes and programs rooted in mainstream Islamic teachings, offered by qualified scholars, to revive hearts and minds, and benefit humanity—completely free.

Our centre at 220 Britannia Rd. E. in Mississauga is a professionally designed, beautiful learning space where all people are welcome, and will feel a deep sense of community and connection.

It is our goal to establish a truly global Islamic institution right here in Canada—an institution that will (a) facilitate the spread of general Islamic knowledge and guidance in our community; (b) train future scholars, teachers, callers, and empowered activists and (c) educate and inspire committed believers who live, embody, and spread knowledge, guidance, and good in service of God's creation.

"I love coming to SeekersGuidance Canada to seek Islamic knowledge and to also make new friends. I love how inclusive and informative it is. There are always many events going on throughout the week that anyone can attend no matter what age or gender. As a young student seeking Islamic knowledge, I love that all of the classes are completely free!"

Commit to Continuous Personal Development

These past two years have been a challenge for humanity, testing our courage and fortitude in the face of real uncertainty. It is time for us to rise to that challenge, and exemplify the best character to those around ourselves just as our beloved Prophet صلى الله عليه وسلم did, and remain committed to developing our own sound understanding of the basic islamic sciences. This will help us to conduct ourselves in a better way, both in our etiquette with our Creator, and with His creation.

The start of this new summer is a time for optimism and hope, as we know with certainty that “surely with hardship comes ease” (94:5). We need to remain consistent upon remaining optimistic, and seeking what is most pleasing to Allah عز وجل both in these times of difficulty, and in the times of ease when they come. And that understanding of what is most pleasing to Allah عز وجل comes after we dedicate ourselves at least weekly to seeking sound islamic knowledge from qualified scholarship, so that we can steadily grow in wisdom and guidance.

As we reflect on the passing of years, we are also forced to reflect on our own individual state, and uncover the areas that need improvement so that we can then have those areas addressed in the best way possible. We must reflect on how we use our time, so that we use every moment in the most efficient way possible, and in a way that is most pleasing to our Creator. That entails that we have a clear understanding of what our priorities in life are, and that we use our every breath in a purposeful manner.

At SeekersGuidance Canada, we are committed to providing this opportunity of seeking islamic knowledge from qualified teachers to everyone in our local community, as well as to a global audience online. We do our utmost to make all students feel welcome and comfortable while visiting our centre.

Please look through this program booklet and select class(es) for yourself, by registering online via seekersguidance.org/canada

This will keep you updated about class updates, gain access to class recordings, and access to discussion forums where you can ask questions about the course material. Some classes even include review questions to help consolidate your understanding of the material presented.

May we all continue to strive for personal improvement, and turn ourselves to seeking Allah Most High with the utmost sincerity, ameen. If our administration can be of any help to you in your journey to seek sacred knowledge, feel free to reach out to us anytime at sgc@seekersguidance.org
